methodical/ distractions
in the first 5 or 10 pp's.

mother of nations, be fruitful and multiply' to ~~Abr~~ adam
to abram ' multiply descendants exceedingly, not be counted for multitude' (gen 16:10)
exceedingly fruitful (gen 17:6)
circumcision After 8 days! (gen 17:12)

= descendants multi as stars in heaven 26:4 (same as said to abraham) - to isaac ('same sister story as Abram & profits from kings)
Jacob vs Esau

→ 4th day (more) Night Breaks fast

I couldn't help but go crazy, fear overwhelmed me, the books in here: The Bible, The Broken window, The phantom, black friday, & into thin air (which seems ok...
a story about cyber criminals reminds me of my fav mckenna secret agent, being framed virtually bit by bit (broken w)
& selling Water holds you instead of Mother, after reading the Bible on Trusting God.
A light that doesn't turn off & mike hearing voices, CIA scheme to create drug runners & killers through subliminal light programming & sleep dep (vibrations effect organs)
kill the officers lie to me, pretend to help, look @ me spitefully while

I sit in a room smeared w/ blood, how could I not fear. On the 4th Night. I eat, I lose faith & wish to the forest alive ('in' Safe, to see the birds
Too many lies to not be afraid.
2 ppl say they'll check for me my mate? after
same as the first days for books & paper
Fasting is the best way to enter to

The fear came to be, I'd rather be a prisoner than a savior w/ out family, not trusting my freedom, I accept my position Sick to the stomach ~~and~~ my mental disposition. So I drink the kool-aid & put my trust in those who don't trust. Earning no trust Now I can't eat & breathe, before the eating fantasies to leave/ come back - go to Australia where the dreaming ended. Can't trust Amanda or those dominated countries, nothing for me here.

pray pains & food that doesn't moved through the bowels - connected to my release another desired to come out but nothing

remembering pains/nightmares of a false father who always my wife & my developing child. Remembering the cave of events that I wished to spend the night in - near eden

TO BE: A P.I. & law, DID psych professional expanding towards Neurology & VR tech as communication mediator in times of conflict.
7/25 - dreams, mind & manifesting (party @ Dan's) Rick book, LSD & chocolate, two ways driving home stop @ store for beer & cigs to make sure I don't get too wired, way back, get wife outside & ~~in~~ into me, just chatting w/ Abram, get, but I guess in the end I was allowed to leave

7/24 afternoon

state but I'd rather have the forest or my to stay sane minded & ~~&~~ NO masturbate & while fasting that was the start of poop pains
